Note:

Revision classes will be conducted from 01-06-2025 to 05-07-2025 in the Department of Pathology, Microbiology, and Pharmacology from 9.00 am to 12.00 pm for batches A,B, C, and D except on the days of Internal assessment

Student doctor method followed in clinical postings:

The learner will function as a part of the health care team with the following responsibilities:

- 1 Be part of the unit's outpatient services on admission days,
- 2 Remain with the admission unit until 6 PM except during designated class hours,
- 3 Be assigned patients admitted during each admission day for whom he/she will undertake responsibility, under the supervision of a senior resident or faculty member,
- 4 Participate in the unit rounds on its admission day and will present the assigned patients to the supervising physician,
- 5 Follow the patient's progress throughout the hospital stay until discharge,
- 6 Participate, under supervision, in procedures, surgeries, deliveries etc. of assigned patients
- 7 Participate in unit rounds on at least one other day of the week excluding the admission day,
- 8 Discuss ethical and other humanitarian issues during unit rounds,
- 9 Attend all scheduled classes and educational activities,
